Contest!

Help a Horse Day is a national celebration and contest created by the ASPCA to raise awareness of the plight of horses. Participating organizations will be eligible to compete for grant money from the ASPCA to assist them with helping horses. All proceeds from this event benefit The Mustang Project.

For more information or to reserve a space please visit:
www.themustangproject.org or email info@themustangproject.org

The Mustang Project is a 501(c)3 non-profit organization created so that youth and horses can benefit from one another, and provides refuge for almost 50 horses saved from slaughter.
